

Product Specifications

70ESN700SD8

INLINE CORDED NUTRUNNER
175 - 700 Nm (129.0 – 516.2 ft-lbs)

INLINE - 70 SERIES

The NeoTek™ fastening system is the next generation of smart tool solutions. The lightweight, ergonomic design along with fully programmable features such as the high-output LED light rings, audible alerts, and handle vibration all create a better user experience that leads to decreased operator fatigue and increased productivity.

FEATURES

- Repeatability & accuracy with 2.0 Cm/Cmk at +/- 7%
- 21% lighter (tool/cable system) than existing tool family
- Digital communication for reliable performance
- Internal temperature monitoring
- Configurable LED light rings
- Data logging with on-board tool memory
- Preventive maintenance alerts
