

Product Specifications

70EAN350PA6

RIGHT ANGLE CORDED NUTRUNNER
88 - 350 Nm (64.9 – 258.1 ft-lbs)

RIGHT ANGLE - 70 SERIES

The NeoTek™ fastening system is the next generation of smart tool solutions. The lightweight, ergonomic design along with fully programmable features such as the high-output LED light rings, audible alerts, and handle vibration all create a better user experience that leads to decreased operator fatigue and increased productivity.

FEATURES

- Repeatability & accuracy with 2.0 Cm/Cmk at +/- 7%
- Over 25% lighter (tool/cable system) than existing tool family
- Digital communication for reliable performance
- Internal temperature monitoring
- Configurable LED light rings
- Data logging with on-board tool memory
- Preventive maintenance alerts
- Compatible with:
 - mPro400GCD-P Controller
 - 961560-xxx Tool Cable
 - 961923-xxx Tool Extension Cable
