## Datasheet of 7111 13 13 Flow regulator

## Description

Metal regulators, Compact flow regulator, supply, made of metal, G1/4 - G1/4

Non-return throttle valve, threaded, made of metal: - with female thread, G-thread

- external screw for throtteling supply air
- lock nut guaranteeing stability of adjustment
- reliable, precise and progressive adjustment
- strong construction for improved longevity
- treated brass body extremely resistant to external aggressions temperature, sparking, corrosion

## Details

| C:                               | G1/4"               |
|----------------------------------|---------------------|
| F:                               | 14                  |
| F1:                              | 19                  |
| H min:                           | 50,5                |
| H max:                           | 55,5                |
| H1:                              | 25                  |
| L:                               | 32                  |
| Maximum working pressure in bar: | 10                  |
| Material seal:                   | NBR                 |
| Material adjusting spindle:      | Brass nickel plated |
| Material body:                   | Brass nickel plated |
| Material threaded fitting:       | Brass nickel plated |
| Material locknut:                | Brass nickel plated |
| max. temperature in °C:          | 70                  |
| RoHS compliant:                  | Yes                 |
| Weight in kg:                    | 0,108               |

## Dimensions

| C:     | G1/4" |
|--------|-------|
| F:     | 14    |
| F1:    | 19    |
| H min: | 50,5  |
| H max: | 55,5  |
| H1:    | 25    |
| L:     | 32    |
