

Datasheet of WPN 34 NA WaterProfi-plug G 3/4" AG

Description

WaterProfi-plug with male thread (valve adaptor) G 3/4" AG, brass nickel plated, DN 9

WaterProfi plugs series WS are completely made of brass MS 58 which offers a more robust and wear resistance vs other couplings made of plastics. The one-hand operation guarantees a simplified work and an optimum ease of use. WaterProfi products are outfitted with O-rings to offer best sealing characteristics. That means: leakages can be avoided with the coupling system as often seen with pre-mounted compression fittings now in the past.

Details

Series:	WPN
Old order number:	WS 34 NA
Series long:	WPN
Bore:	DN 9
Maximum working pressure in bar:	PN 16 bar
max. temperature in °C:	+95°C
Shut-Off:	Plug Straight-Through
Connection:	Male thread 3/4"
Material:	Brass nickel plated
Weight in kg:	0,076
Water-resistant:	Yes
Single-hand operation:	Yes
Two-hand operation:	No
Safety locking system:	No
Flat-sealing:	No

Dimensions

L mm:	41
L1 mm:	10,5
SW mm:	30
L2 mm:	24
