

## Datasheet of 26SFAW17MXX0 Plug color coded

## Description

Plug straight-through, coded system (0 = green, circle), male thread G 3/8, nominal diameter 7,2, <35 bar, brass

Coded industrial coupling system developed on the basis of series 25. Coupling system with single-hand operation. UltraFlo valve for optimum flow and low pressure drop. The mechanical coding of the coupling and plug offers a guarantee for avoiding mix-ups between media when coupling, which is complemented by the color coding of the anodised sleeves. Double shut-off and straightthrough couplings are available upon request. Cannot be interconnected with the Rectus standard 25 series.

## **Details**

| Series:                                   | 26  |
|---|---|
| Series long:                              | 26SF  |
| Bore in mm:                               | 7.2   |
| Bore area in mm²:                         | 40  |
| Advantages:                               | Quality product. One-hand operation. Versatile capability of connections. |
| Working pressure:                         | 35 bar maximum static working pressure with safety factor 4 to 1.         |
| Working temperature:                      | -20°C up to +100°C (NBR)  |
| Shut-Off:                                 | Plug Straight-Through   |
| Connection:                               | Male thread 3/8"  |
| Connection description:                   | Male pipe thread of Whitworth form ISO 228 3/8"                           |
| Connection type:                          | Male thread   |
| Material:                                 | Brass   |
| Material description:                     | Brass CuZn39Pb3 2.0401 (except sleeve)                                    |
| Surface:                                  | blank finish  |
| Coding:                                   | 0 = green, circle   |
| Weight in kg:                             | 0,03  |
| Coded:                                    | Yes   |
| Self-venting coupling:                    | No  |
| Safety locking system:                    | No  |
| Single-hand operation:                    | Yes   |
| Two-hand operation:                       | No  |
| Ball locking:                             | No  |
| Pin lock:                                 | No  |
| Ultra-FLO-valve:                          | No  |
| Vacuum suitable:                          | Yes   |
| Water-resistant:                          | Yes   |
| Flat-sealing:                             | No  |
| Suitable breath / respiratory protection: | No  |
| Pressure eliminator:                      | No  |
| Hydraulics:                               | No  |
| Pneumatics:                               | Yes   |
| Standard product:                         | No  |
| Mould coupling:                           | No  |

## **Dimensions**

| Connection A: | G 3/8 |
|---------------|-------|
| L mm:         | 41,5  |
| L1 mm:        | 12    |
| SW mm:        | 19    |
