

## Datasheet of 48SFIW13DPXR Plug color coded

### Description

Plug straight-through, color coded (R = red), female thread G 1/4, nominal diameter 7, <10 bar, POM (Delrin), seal NBR

Coupling series made of POM and PVDF has been developed for use in the medical, chemical, food handling, pharmaceutical and laboratory technology industries. The system is also available in a solid plastic design (RectuChem+). Here the metal springs are replaced by springs made of PEEK, an extremely resistant synthetic material.
