Product properties

Weight in kg	0,001
Maximum working pressure in bar	20
max. temperature in °C	80
min. temperature in °C	-20
RoHS compliant	Yes
Vacuum resistance in mm Hg	755
Material body	Engineered polymer

Dimensions

G	5,994
L	33,020
L1	21,692
ØD	1/8"
