#### Product properties

|                                 |                     |
|---------------------------------|---------------------|
| Special feature                 | schwenkbar          |
| Weight in kg                    | 0,018               |
| Maximum working pressure in bar | 20                  |
| max. temperature in °C          | 80                  |
| min. temperature in °C          | -20                 |
| RoHS compliant                  | Yes                 |
| Vacuum resistance in mm Hg      | 755                 |
| Material seal                   | NBR                 |
| Material body                   | Engineered polymer  |
| Material threaded fitting       | Brass nickel plated |
| Material toothed washer         | Stainless steel     |
