Product properties

Number of connections	8
Weight in kg	0,17
Maximum working pressure in bar	20
max. temperature in °C	80
min. temperature in °C	-10
RoHS compliant	Yes
Material seal	NBR
Material body	Aluminium treated
Material toothed washer	Stainless steel

Dimensions

C	G1/4"
E	10
H	33
K	20
L	114
L1	104
N	12,5
ØD	6 mm
