Product properties

Number of connections	6
Weight in kg	0,335
Maximum working pressure in bar	20
max. temperature in °C	80
min. temperature in °C	-10
RoHS compliant	Yes
Material seal	NBR
Material body	Aluminium treated
Material toothed washer	Stainless steel

Dimensions

C	G1/2"
E	16
H	48
K	25
L	145,5
L1	135,5
N	17
ØD	10 mm
