Product properties

Weight in kg	0,002
Maximum working pressure in bar	20
max. temperature in °C	80
min. temperature in °C	-20
RoHS compliant	Yes
Vacuum resistance in mm Hg	755
Material seal	NBR
Material body	Engineered polymer
Material toothed washer	Stainless steel

Dimensions

C	M5x0,8
G	11
H	13
L	18,5
L1	5
ØD	6 mm
