Product properties

Weight in kg	0,013
Maximum working pressure in bar	20
max. temperature in °C	80
min. temperature in °C	-20
RoHS compliant	Yes
Vacuum resistance in mm Hg	755
Material seal	NBR
Material body	Engineered polymer
Material toothed washer	Stainless steel

Dimensions

C	G3/8"
G	22,5
K	33
L	28,5
N	17
ØD	6 mm
