

0695 08 13 Push-in-fitting

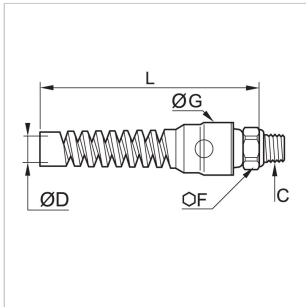

Push-in-Fitting with protection spring, 8 mm - R1/4

Product description

Guarantees long-term connection thanks to the retention of the tube by the protection ring.
Enables tube length adjustment or disconnection without thread disassembly thanks to the push-in connection design of the protection spring.

Product properties

Weight in kg	0,055
Maximum working pressure in bar	20
max. temperature in °C	60
min. temperature in °C	-20
RoHS compliant	Yes
Material seal	NBR
Material spring	Engineered polymer
Material body	Brass nickel plated
Material toothed washer	Stainless steel

Dimensions

C	R1/4"
F	14
G	24
L	104,5
ØD	8 mm
