Product properties

|                                 |                     |
|---------------------------------|---------------------|
| Colour                          | blue                |
| Weight in kg                    | 0,441               |
| Material                        | PU                  |
| Maximum working pressure in bar | 10                  |
| max. temperature in °C          | 50                  |
| min. temperature in °C          | -15                 |
| RoHS compliant                  | Yes                 |
| Hose length                     | 4 m                 |
| Material seal                   | NBR                 |
| Material nozzle                 | Aluminium treated   |
| Material body                   | Engineered polymer  |
| Material threaded fitting       | Brass nickel plated |
| Material lever                  | Engineered polymer  |

Dimensions

|                           |        |
|---------------------------|--------|
| Outer diameter            | 8 mm   |
| Total closed length in m  | 400    |
| C                         | R1/4"  |
| F                         | 16     |
| H                         | 192,5  |
| H1                        | 139,5  |
| Inner diameter            | 5 mm   |
| Inner diameter            | 5,0 mm |
| L                         | 152    |
| Outer coil diameter in mm | 42     |
