## Product properties

|                                 |                     |
|---------------------------------|---------------------|
| Weight in kg                    | 0,025               |
| Maximum working pressure in bar | 10                  |
| max. temperature in °C          | 70                  |
| RoHS compliant                  | Yes                 |
| Material seal                   | NBR                 |
| Material adjusting spindle      | Brass nickel plated |
| Material body                   | Engineered polymer  |
| Material threaded fitting       | Brass nickel plated |
| Material locknut                | Brass nickel plated |
| Material toothed washer         | Stainless steel     |

## Dimensions

|       |       |
|-------|-------|
