**Product properties**

|                                        |                     |
|----------------------------------------|---------------------|
| <b>Weight in kg</b>                    | 0,046               |
| <b>Maximum working pressure in bar</b> | 10                  |
| <b>max. temperature in °C</b>          | 70                  |
| <b>RoHS compliant</b>                  | Yes                 |
| <b>Material seal</b>                   | NBR                 |
| <b>Material adjusting spindle</b>      | Brass nickel plated |
| <b>Material body</b>                   | Engineered polymer  |
| <b>Material threaded fitting</b>       | Brass nickel plated |
| <b>Material locknut</b>                | Brass nickel plated |
| <b>Material toothed washer</b>         | Stainless steel     |
