

## 7662 06 19 Flow regulator

Polymer flow regulators, Bi-directional Miniature-regulator made of polymer, 6 mm - M5x0,8

### Product description

throttle valve, threaded, made of plastic:

- swivel outlet banjo with external screw and push-in connection, G- or metric thread
- external screw, bi-directional: Throttling of air supply and exhaust, no non-return function
- reliable, precise and progressive adjustment
- lock nut guaranteeing stability of adjustment
- perfectly suited to solve the most difficult connection issues thanks to its orientability
- perfectly adapted to solve the most difficult connection issues thanks to its orientability and small size

**Product properties**

|                                        |                     |
|----------------------------------------|---------------------|
| <b>Weight in kg</b>                    | 0,01                |
| <b>Maximum working pressure in bar</b> | 10                  |
| <b>max. temperature in °C</b>          | 70                  |
| <b>RoHS compliant</b>                  | Yes                 |
| <b>Material seal</b>                   | NBR                 |
| <b>Material adjusting spindle</b>      | Brass nickel plated |
| <b>Material body</b>                   | Engineered polymer  |
| <b>Material body 2</b>                 | Brass nickel plated |
| <b>Material locknut</b>                | Brass nickel plated |
| <b>Material toothed washer</b>         | Stainless steel     |

**Dimensions**
