

## 19TCA06Q Pistol grip nutrunner

Pistol grip nutrunner, trigger allow push-to-start and Clecomatic® clutch, torque 1,1 - 5,1 Nm, idling speed 260 rpm

### Product description

The nutrunner shines with its very precise shut-off, an accuracy similar to electric tools. New design and advanced materials make light weight possible. The operator profits by improved ergonomics and reduced fatigue. Long operating times per service interval make reduced operating costs possible.
