#### Product properties

|                                 |                        |
|---------------------------------|------------------------|
| Weight in kg                    | 0,022                  |
| Material                        | Biobased raw materials |
| Maximum working pressure in bar | 15                     |
| max. temperature in °C          | 95                     |
| min. temperature in °C          | -10                    |
| RoHS compliant                  | Yes                    |
| Vacuum resistance in mm Hg      | 755                    |
| Material seal                   | EPDM                   |
| Material body                   | Biobased raw materials |
| Material threaded fitting       | Biobased raw materials |
| Material toothed washer         | Stainless steel        |

#### Dimensions

|           |       |
