

9067101 – IN-LINE PRESSURE GAUGE thread-pipe M5-Ø4

Inline pressure gauge, thread-pipe M5-Ø4, 12 bar

Product description

The MAN L pressure gauge belongs to the LINE ON LINE® family, which means it can be connected to all the other components in series or in parallel.

Available in the version for pipe-pipe connection with two push-in fittings, and in the version for thread-pipe connection with a brass nickel-plated male thread and a push-in fitting.

Though small in size, this pressure gauge, which is supplied in a metal casing, ensures accurate reading.
