

70ESN185ND6 NeoTek inline assembly tool

NeoTek inline assembly tool, torque 46 - 184 Nm, idling speed 680 1/min

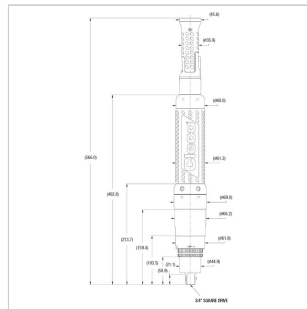

Product description

The NeoTek fastening system is the next generation of smart tool solutions. The lightweight, ergonomic design along with fully programmable features such as the high-output LED light rings, audible alerts, and handle vibration all create a better use experience that leads to decreased operator fatigue and increased productivity.

- Up to 1 million cycles maintenance-free
- Repeatability & accuracy with 2.0 Cm/Cmk at +/- 7%
- 21% lighter (tool/cable system) than existing tool family
- Configurable LED light rings
