

3218 - Single banjos

LF 3200 - Miniature-pneumatics, Single banjos, Brass nickel plated

Product description

Connection of tubing at a 90° angle to a threaded port. Tightened on the top of the fitting by use of a screwdriver slot. Assembly in tight spaces. Very strong construction. Precoated thread ensuring direct sealing and full air flow. Individual unit quality control and dating in order to guarantee quality and traceability. Complies RoHS and ISO 14743.
