

0449 - 3/2-way ball valves with threaded exhaust, panel-mountable

Ball valves Brass, 3/2-way ball valves with threaded exhaust, panel-mountable

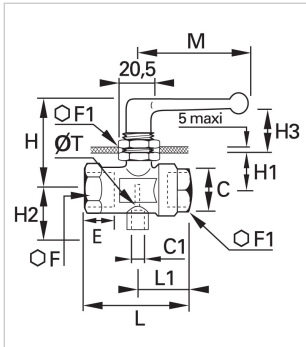

Product description

With exhaust port thread and panel-mountable. For full or partial venting of the pipes. Single flow direction (signed with an arrow on the body).

- full flow
- optimum sealing due to compensating O rings
- excellent resistance to scaling due to ball seal configuration.
