

7101 - Flow regulators, supply, made of metal

Metal regulators, Flow regulators, supply, made of metal

Product description

Non-return throttle valve, threaded, made of metal:

- banjo with external screw for throttling supply air and push-in connection
- lock nut guaranteeing stability of adjustment
- reliable, precise and progressive adjustment
- strong construction for improved longevity
- treated brass body extremely resistant to external aggressions - temperature, sparking, corrosion

Product properties

Material	Brass nickel plated
max. temperature in °C	70
RoHS compliant	Yes
Material seal	NBR
Material adjusting spindle	Brass nickel plated
Material body	Brass nickel plated
Material threaded fitting	Brass nickel plated
Material locknut	Brass nickel plated
Material toothed washer	Stainless steel

Dimensions
