

7662 - Bi-directional miniature flow regulators made of polymer

Polymer flow regulators, Bi-directional miniature flow regulators made of polymer

Product description

throttle valve, threaded, made of plastic:

- swivel outlet banjo with external screw and push-in connection, G- or metric thread
- external screw, bi-directional: Throttling of air supply and exhaust, no non-return function
- reliable, precise and progressive adjustment
- lock nut guaranteeing stability of adjustment
- perfectly suited to solve the most difficult connection issues thanks to its orientability
- perfectly adapted to solve the most difficult connection issues thanks to its orientability and small size

Product properties

Material	Engineered polymer
max. temperature in °C	70
RoHS compliant	Yes
Material seal	NBR
Material adjusting spindle	Brass nickel plated
Material body	Engineered polymer
Material body 2	Brass nickel plated
Material locknut	Brass nickel plated
Material toothed washer	Stainless steel

Dimensions
