Product properties

Material	Engineered polymer
max. temperature in °C	60
min. temperature in °C	-5
RoHS compliant	Yes
Material boot	
Material deflector	
Material seal ring	
Material seal	NBR
Material nozzle	
Material spigot	
Material adjusting spindle	
Material spring	
Material body	Engineered polymer
Material body 2	Brass nickel plated
Material threaded fitting	
Material gripping ring	
Material piston	Brass treated
Material locknut	
Material balls	
Material seat seal	
Material release button	
Material diaphragm	
Material lock plate	
Material non-return valve	
Material silencer	
Material lever	
Material stem	
Material sliding sleeve	
Material plug sockets O-ring	
Material union nut	
Material toothed washer	Stainless steel
