**Product properties**

|                                        |                                        |
|----------------------------------------|----------------------------------------|
| <b>Material</b>                        | Biobased raw materials                 |
| <b>Maximum working pressure in bar</b> | 15                                     |
| <b>max. temperature in °C</b>          | 95                                     |
| <b>min. temperature in °C</b>          | -10                                    |
| <b>RoHS compliant</b>                  | Yes                                    |
| <b>Vacuum resistance in mm Hg</b>      | 755                                    |
| <b>Material seal</b>                   | EPDM                                   |
| <b>Material body</b>                   | Biobased raw materials                 |
| <b>Material threaded fitting</b>       | Brass nickel plated chemical fda brass |
| <b>Material toothed washer</b>         | Stainless steel                        |
