

19SCA Inline nutrunner

Inline nutrunner with quick-action chuck, Push-to-start and lever start, torques 0,6 - 5,1 Nm, idling speed 260 - 2.800 rpm

Product description

The nutrunner shines with its very precise shut-off, an accuracy similar to electric tools. New design and advanced materials make light weight possible. The operator profits by improved ergonomics and reduced fatigue. Long operating times per service interval make reduced operating costs possible.
