

## 0171 02 10 01 Quick coupling with male thread

Quick coupling single shut-off, male thread R 1/8, nominal diameter 2, <20 bar, engineered polymer, seal NBR, black

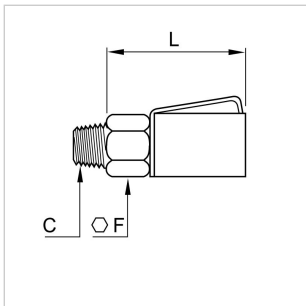

### Product description

The one-way shut-off mini series offers a space-saving solution for frequent connection and disconnection of hoses and pneumatic connections.

- Compact construction and ergonomic design
- Color coding: recognizing the circuits at a glance
- Easy uncoupling / one-handed operation
