Product properties

Number of connections	6
Weight in kg	0,149
Maximum working pressure in bar	20
max. temperature in °C	80
min. temperature in °C	-10
RoHS compliant	Yes
Material seal	NBR
Material body	Aluminium treated
Material toothed washer	Stainless steel

Dimensions

C	G3/8"
E	12
H	33
K	20
L	114
L1	104
N	15
ØD	8 mm
