Product properties

Weight in kg	0,002
Maximum working pressure in bar	20
max. temperature in °C	80
min. temperature in °C	-20
RoHS compliant	Yes
Vacuum resistance in mm Hg	755
Material seal	NBR
Material body	Engineered polymer
Material toothed washer	Stainless steel

Dimensions

C	G1/8"
G	10,5
H	14,5
L	20
L1	7
ØD	6 mm
