

70EAN2000TB8MT NeoTek angled nutrunner

NeoTek inline assembly tool, torque 500 - 2000 Nm, idling speed 35 1/min

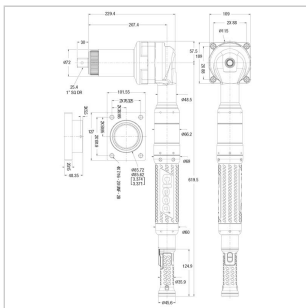

Product description

The NeoTek fastening system is the next generation of smart tool solutions. The lightweight, ergonomic design along with fully programmable features such as the high-output LED light rings, audible alerts, and handle vibration all create a better use experience that leads to decreased operator fatigue and increased productivity.

- Up to 1 million cycles maintenance-free
- Repeatability & accuracy with 2.0 Cm/Cmk at +/- 7%
- 21% lighter (tool/cable system) than existing tool family
- Configurable LED light rings
