

70EAN155NA6 NeoTek angled nutrunner

NeoTek angled nutrunner, torque 39 - 156 Nm, idling speed 740 1/min

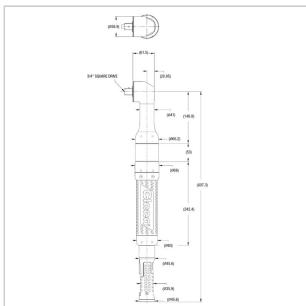

Product description

The NeoTek fastening system is the next generation of smart tool solutions. The lightweight, ergonomic design along with fully programmable features such as the high-output LED light rings, audible alerts, and handle vibration all create a better use experience that leads to decreased operator fatigue and increased productivity.

- Up to 1 million cycles maintenance-free
- Repeatability & accuracy with 2.0 Cm/Cmk at +/- 7%
- 21% lighter (tool/cable system) than existing tool family
- Configurable LED light rings

Product properties

Output	3/4" Square Drive
Maximum torque in Nm	156
Weight in kg	6,5
Idling speed rpm	740
Minimum torque in Nm	39

Dimensions

Length in mm	637
Side to center in mm	30
