

70EAN4000UA12MT NeoTek angled nutrunner

NeoTek angled nutrunner, torque 1250 - 4000 Nm, idling speed 17 1/min

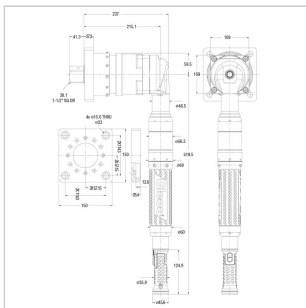

Product description

The NeoTek fastening system is the next generation of smart tool solutions. The lightweight, ergonomic design along with fully programmable features such as the high-output LED light rings, audible alerts, and handle vibration all create a better use experience that leads to decreased operator fatigue and increased productivity.

- Up to 1 million cycles maintenance-free
- Repeatability & accuracy with 2.0 Cm/Cmk at +/- 7%
- 21% lighter (tool/cable system) than existing tool family
- Configurable LED light rings

Product properties

Output	1 1/2" Square Drive
Maximum torque in Nm	4000
Minimum torque in Nm	1250
Weight in kg	18,8
Idling speed rpm	17

Dimensions

Length in mm	677
Side to center in mm	58
