

70ESN245ND6 NeoTek straight nutrunner

NeoTek straight nutrunner, torque 61 - 245 Nm, idling speed 510 1/min

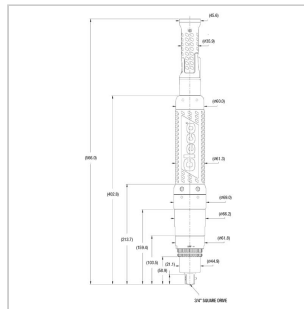

Product description

The NeoTek fastening system is the next generation of smart tool solutions. The lightweight, ergonomic design along with fully programmable features such as the high-output LED light rings, audible alerts, and handle vibration all create a better use experience that leads to decreased operator fatigue and increased productivity.

- Up to 1 million cycles maintenance-free
- Repeatability & accuracy with 2.0 Cm/Cmk at +/- 7%
- 21% lighter (tool/cable system) than existing tool family
- Configurable LED light rings

Product properties

Output	3/4" Square Drive
Weight in kg	5,2
Maximum torque in Nm	245
Minimum torque in Nm	61
Idling speed rpm	510

Dimensions

Length in mm	566
Side to center in mm	33
