

70ESN850SD8 NeoTek straight nutrunner

NeoTek straight nutrunner, torque 213 - 850 Nm, idling speed 125 1/min

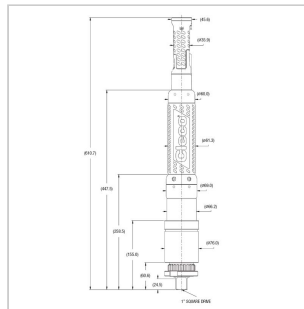

Product description

The NeoTek fastening system is the next generation of smart tool solutions. The lightweight, ergonomic design along with fully programmable features such as the high-output LED light rings, audible alerts, and handle vibration all create a better use experience that leads to decreased operator fatigue and increased productivity.

- Up to 1 million cycles maintenance-free
- Repeatability & accuracy with 2.0 Cm/Cmk at +/- 7%
- 21% lighter (tool/cable system) than existing tool family
- Configurable LED light rings

Product properties

Output	1" Square Drive
Weight in kg	7,6
Maximum torque in Nm	850
Minimum torque in Nm	213
Idling speed rpm	125

Dimensions

Length in mm	610
Side to center in mm	38
